

THE PERSONAL DATA PROTECTION POLICY ADOPTED AT “M.B.S. TRADE” AD

Welcome,

We are, indeed, very happy that you have chosen to visit the site kept by NFT CREDO Collectible Sports Goods. We are concerned about the privacy of your personal information and the data you share with us, which is why we would like you to know exactly how we use and store this information. “M.B.S. TRADE” AD, takes care of the confidentiality of personal data and in its business it has implemented the best available practices in full conformity with the applicable laws and regulations on personal data protection, including the EU General Data Protection Regulation ("GDPR").

How to use the website

The present privacy policy describes the information we collect from you, the manner of its storage by “M.B.S. TRADE” AD, and the way it is processed within the European Union, as described further below.

The website - and all related current and future projects, such as auctions, events and publications by NFT CREDO Collectible Sports Goods - serves to provide products, content and services to professional sportsmen and the general public and are not intended for individuals below the age of 18. We do not intentionally, and knowingly, collect and store any personal information regarding such individuals.

If you are a citizen of the European Union (EU), please note that there are many provisions in the present privacy policy which are applicable to you alone.

The present document describes:

- *What information do we collect, and how we do it;*
- *How do we protect your personal data;*
- *How do we use your personal data relative to the applicable legislation;*
- *When and how do we share your personal information with others;*
- *How long do we keep your personal data;*
- *What rights and preferences can you enjoy;*

- *How can we help you and how can you contact us?*

What information do we collect about you

The information you provide us with is derived and collected from the registration forms which you complete or send to us via the e-mail or - for instance - when registering an account with us. This information may include your first and last name, e-mail address, telephone number and other information related to the service for which your data is collected and processed.

We collect any/all information contained in the correspondence we exchange between each other, through the contact form on the website and the various emails, phone calls and so on.

Information about you is also collected when you visit our website and depending on how you use it. This may include your IP address, device information, browser type, source of referral, duration of a given visit, operating system, number of page views, which pages you have visited and other such information. It can also be collected from third party providers of website analysis services on our behalf and/or through cookies. We also use cookies and pixels in our emails to track the number of deliveries and page openings, the results from which are stored against your email address and account. For more information about cookies, please see our "cookie" policy.

How do we get this information

We may collect your personal data when you register to receive information about current and upcoming auctions, news, or other services offered by "NFT CREDO Collectible Sports Goods" or its partners - third parties, such as: publications, subscriptions, newsletters, memberships, official announcements, etc.

How do we protect your personal data?

"M.B.S. TRADE" AD maintains the practice of permanent precautionary measures, including technical and organizational security activities in order to protect your personal data from loss, misuse, unauthorized use, access, unintentional disclosure, alteration and destruction.

On a permanent basis we update and test the security aspects of our work and restrict access to your personal data only to the individuals, who have to have it in order to be able to provide the content of the services offered on the NFT CREDO Collectible Sports Goods.

Storing your personal data

We can store your personal information on our own, local “M.B.S. TRADE” AD servers, or employ other internal technologies. None of your personal data is shared with any third parties.

Your personal data and the related legislative grounds for using it

Depending on the relationship we have developed with you, we may use your personal information for the purposes listed below. Before providing us with such data, however, and whenever necessary we shall provide you with more specific information on exactly how we will use the information and will provide you with a link to the resent privacy policy.

We use personal data for:	The purpose of this use is:	Applicable legislative basis:
To provide you with the information you have requested from us in connection with upcoming auctions, current commercial publications or other services we provide (electronic newsletters, for instance).	We will need your contact details to inform you of the products and services you have indicated to be of interest to you .	By specifically requesting information from us, you consent to the use of your personal data for the purpose of providing this information.
General management and organization of our auctions: for example, to contact you with information about current and upcoming events	We will need your data for planning, for logistical operations, invoicing, etc	In case you have registered for a subscription, we will need your personal data to make our performance possible and it is within our legitimate interest to use your personal data for the general management and logistics of these auctions.
To keep in touch with you for current and future auctions and services that may be interested in.	To inform you about current and future auctions or services that you have previously expressed interest in. To analyze the effectiveness of our products and the offers we are making.	It is in our legitimate interest to keep you informed of the auctions and services, similar to those in which you have previously expressed an interest. Whenever we count on such legitimate interests, we will offer you the opportunity to opt out as well as to cancel the subscription for any marketing information we may wish to send.
Analyze user traffic intensity in order to measure the use of our website and improve its content.	We may use information such as your IP address for the purposes of analyzing our pages, as well as to improve the content of our website and services. For more information, please read our “cookie” policy.	We consider the web analysis to be our legitimate interest which allows us to better meet your needs as our customer.
To publish information about the partners of "NFT CREDO Collectible Sports Items" and to stick to the principles of transparency of the presented information.	We may publish the name of the legal entity - partner of "NFT CREDO", as well as the contact persons, telephone numbers, addresses, websites and company logos.	

When and how do we share your personal information with others

We do not share your personal information with third physical or legal persons.

How long do we keep your personal data

We retain your personal information for the duration of your business relationship with us and store it only for as long as it is vitally necessary for achieving the objective for which we are using it, unless - off course - we have received your consent to use the data for some other or similar purpose.

What rights and preferences can you enjoy

In the event that you inform us of you wish that the personal data we have of you has to be deleted or that you no longer wish to maintain a communication with us for any marketing purpose, or should you wish to restrict the processing of your personal data by NFT CREDO Collectible Sports Goods in some other way, we may retain some basic information in order to avoid sending unsolicited material in the future and to keep your requests, and our responses to them, in our archives.
